ABH | FCBP SPECIFICATION WRITING PROGRAM REGISTRATION

1. Distributors who generate specification opportunities will be rewarded with aggressive discounts to put them in an advantageous position with ABH / FCBP products on bid day.
2. Specifications can be written by the distributor and registered with ABH / FCBP or the distributor can provide ABH / FCBP with the necessary information and we will prepare the specification on their behalf.
3. The information listed below must be provided by the distributor in order to register the specification. Failure to provide this information will disqualify the distributor from additional discount points beyond their buying program.
4. When ABH / FCBP is preparing the specification, the distributor must complete the separate ABH / FCBP Specification Summary Form.
5. All specification opportunities must be coordinated through your regional ABH / FCBP business development manager.
