

May 1, 2021

Dear Valued Customer,

Due to the volatility in supply and additional cost increases in raw materials, labor rates and shipping costs, we will be implementing our price adjustment effective July 6th, 2021; providing you with a 60-day notification period.

Our commitment to our partners remains our highest priority and we thank you for your continued support.

Orders placed prior to this date for immediate delivery, will be processed at the existing price schedule. In the coming weeks, you will receive your specific price adjustments from your sales manager. Should you have any questions or require further information, please contact your sales representative at your convenience.

We thank you for your continued support and look forward to growing our mutual business.

Kind regards,
