

There is  
**so much to tell...**

## **MatriX 3326 Series**

Faber helps you create the atmosphere and look you desire for your unique space. Our built-in MatriX models let you design your fireplace - from dimensions, to viewing sides, to finishes, and much more.

## Built-in Gas Fireplace

**Logs**  
Realistic charred log set to maximize the illusion of depth and the appearance of burning firewood. Combine with loose embers for a custom display.

**Light Module**  
Provides a pulsating burn on logs for a truly lifelike effect.

**Rear Wall Steel**  
Provides a solid dark interior finish.

**Remote Control**  
Uses Bluetooth wireless technology to control all fireplace features from the comfort of your chair.

## 4 Firebox Configurations

Single | Left | Right | 3-sided

### Also available

e-MatriX

120 Volts | 270 Watts

### Product Dimensions:
