Make your door hinges disappear with the all new RocYork® concealed door hinge from EzyJamb®. This revolutionary architectural breakthrough will allow uninterrupted clean lines around internal doors for the ultimate square-set interior.

Check out some of the features and benefits of the RocYork® concealed door hinge from EzyJamb®

- No visible barrel or pin
- Maintenance free bearing mechanism
- Aesthetically pleasing hinge covers

Hinge barrels disappear from view with RocYork's concealed hinges, leaving subtle clean lines.

NO-HA Invisible Handles

Functional characteristics

The RocYork® No-Ha 2.0 is a real innovation which is why it was patented. The system integrates door handle and magnetic lock in one box. RocYork® No-Ha 2.0 enables doors to be opened and shut without a visible door handle. The handle can be completely hidden by giving the catch the same finish as the door and walls.

RocYork® No-Ha 2.0 is part of the RocYork® No-Ha collection, which includes the RocYork® No-Ha Slide for sliding doors, RocYork® No-Ha for drawers, cupboards and other accessories such as plates, wc handles (possible with No-Ha Nm 937).

Opening the door

RYCC60950

Concealed Slide Arm Closer

Product Overview

The RocYork® RYCC60950 concealed door closer with cam and roller mechanism makes it an easy to open door closer helping to assist with Document M of the building regulations and the BS 8300 recommendations. This very slim - non-handed 2-4 power adjustable door closer is suitable for a variety of metal and timber doors for use in projects such as hospitals, care homes, schools, colleagues and other areas. Also helps in areas subject to vandalism as the unit is fully concealed when the door is closed.

RYSC801100

Surface Slide Arm Closer

Product Overview

The Cam Action Door Closers, with their renown high efficiency and ease of opening, are what specifiers have come to learn and expect from RocYork® door closers. Cam Actions have been used for decades in many and varied applications globally where the characteristics of the Cam, breed the performance, quality, reliability and design associated with RocYork®.
