

Electric Infrared Heater

Indoor/Outdoor Infrared Heater

DIR Series

Radiant heat with style and performance.

The precision-engineered Ceramic Glass Infrared Heater provides premium performance that heats as beautifully as it looks. Schott Nextrema® ceramic tinted glass combines high-temperature, thermal shock and chemical resistance, excellent infrared transmission, non-porous surface and attractive design. And with full heating power available in under 6 seconds, you can go from cold to comfortable with a quick touch of the remote control.
